*Construction to begin July 2021*

BILLINGS, MT, June 11, 2021 – Opportunity Bank is pleased to announce plans to build a new branch in the Billings Heights on the corner of Wicks and Main.

“We are proud to be part of the Billings community and demonstrate this commitment through our investment in the construction of three new branches in Billings over the last three years,” said Bruce Glennie, Billings Market President. “We are eager to expand our service offerings to customers and businesses in the Heights with a full service branch.”

The bank plans to hire several new associates to serve at the branch.

This new 3,700 square foot branch will feature a multi-lane drive up and convenient access. CWG is the architect for this project; Dick Anderson Construction will be the General Contractor. This location, anticipated to open by the end of 2021, will eventually replace Opportunity Bank’s current Heights location at 895 Main Street.
